On Friday, July 19th, St. Stephen's will be hosting a community dinner for families receiving services through Family Promise. This is an event to uplift the work that Family Promise is doing and to connect with and serve their families by providing them a safe space to eat and spend time in community. Volunteers will be needed to provide and serve food and to assist with set-up and clean-up. Volunteers are also invited to join in the meal. The link for volunteer sign-ups can be found here: <https://www.familypromisescv.org/familyconnections>

There is a separate sign-up to bring necessary food items, which can be found here <https://form.jotform.com/FPofSCV/st-stephens-food> Please see Grace Pendleton with any questions: [grace@st-stephens.org](mailto:grace@st-stephens.org)

My project has three main goals:

1. To construct welcome/information sign for St. Stephen's Church to identify the leaders of the church and advertisement for the preschool and church.
2. To refurbish the area around the welcome sign by removing overgrown brush and replacing with indigenous, heat resistant flowering plants.
3. To construct four parking signs for reserved spaces in the church parking lot
